

Flat Twine®

3 Ways to get the most out of this unique product

- Use it at the register to solve problems
- Sell it to your contractor customers to offset your costs
- Merchandise it in the store for homeowners/DIYers

In-Store and Contractor Use:

Great for bundling everything

Fluorescent light tubes

Screens

Molding

Pipes

Dowels

Ductwork

Odd sized millwork

- Easy to apply – best product to hold multiple items together
- Tight, secure hold – unique handle system on every roll for tensioning
- No adhesive – will not mar items, no residue, easy to remove

Available in 2 convenient sizes:

- 2" x 178' roll – fits in your pocket, tool box, glove compartment (FST11)
- 2" x 650' roll – stretchability makes it equivalent to 3 rolls of duct tape (FST21)
- Both sizes are available in bulk pack, counter trays, and high impact floor displays

12 rolls

48 rolls

18 rolls

30 rolls

Added bonus – great all-purpose tool for homeowners and DIYers

Merchandising shows multiple uses in and around the home

QR code on every roll – activate to see “How-To” video

Seasonal applications – Christmas, lawn & garden, sports & recreation
