

FLAT TWINE®

Ties tighter than twine without a knot

Sticks to itself, not to your stuff

**Unique handle on every roll for easy dispensing,
stretching, tensioning & cut off**

- All purpose tool for bundling, wrapping, compacting and tying
- Great for packing up equipment and gear for moving and storing
- For anyone on the go – hiking, camping, fishing, hunting
- Use in your home, in the yard, on the ball field, at the campsite, on the road, on vacation, in your RV
- Bundle everything from fishing poles to boat oars to firewood
- Compact bulky items like sleeping bags, flotation devices, seat cushions
- Protect matches, batteries and more from pests, moisture, rust or scratches

**Great for any sport or recreation activity
At home or on the road**
