

FLAT TWINE®

is the key to hassle free moving and storage of camping supplies, sporting and recreation equipment, and house and yard clean-up

- Bundle firewood, small propane tanks, tent poles, tents, fishing poles, skis and ski poles, oars and paddles, sleeping bags and blankets, and much more...
- Weather and insect proof your matches, blankets, seat and chair cushions, beach and patio umbrellas
- Use as a vise or clamp, close up boxes for storage, bundle newspapers and twigs for recycling

Plus so much more...

Better than tape, twine, string, and even boxes
Sticks only to itself – not to your stuff – no sticky adhesive residue
Patented handle on every roll for tension control – tight hold every time
300% stretch – equals over 10 rolls of duct tape
