

NIFTY® Hand Tear Tape

Serrated edge for easy tearing makes the tape safe to use

- **No dispenser**, no knife, no scissors
- **Impulse item** – everyone uses tape
- **Woman friendly** – easy to use & safe
- **Heavy duty** – 3.2 vs standard 1.8 mil
- **Hot or cold weather**, inside or out
- **High tack**, heavy adhesive

Sell it to everyone – Use it in the store

- **In-store use** – recoup/repair bags, hang signs, mailing & shipping
- **Consumers** – moving, storage, mailing – great for college & camp moves
Ideal for hurricane & storm preparation
- **Contractors** – seal Visqueen, replaces duct, joint, flatback tape
- **Landscapers** – seal tarps and bags

And many more – schools/**teachers**, libraries, art galleries, sheltered workshops, prisons, docks, airports, warehouses
