POSTAL STRAPPING KIT

AND SO MUCH MORE

#SPOSTAL

### INSTRUCTIONS:
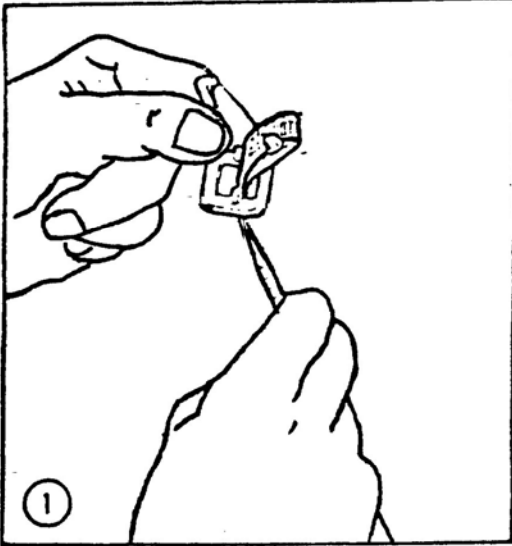

Make 3" fold-over with strap end. Insert folded end UP through center of buckle. Bend TOP line into folded strap end. Pull on folded strap to secure line.

Form a loop with strap coming from end.

Insert loop through center of buckle. Bend BOTTOM line into loop. Pull down on strap coming from coil to tighten buckle.

Apply pressure to top of the buckle with thumb to engage spacer between lines. Tighten strap.
